<ul style="list-style-type: none"> The instructor is very friendly and open to any questions or concerns in the course. Ms. Zhang was a fantastic instructor. She always let us know how much we've improved since the beginning of the year. As a person who beats himself up when he makes mistakes, Ms. Zhang did a good job at helping me to know that it was okay to make mistakes and to be easier on myself. course was great, i learned a lot from the instructor Ms. Zhang was a great instructor and helped me improve my public speaking skills. Ms Zhang was awesome. Always kept a high energy level and kept us interested. She made sure we learned the materials, as well as had fun. I would definitely say she's one of the best teachers I've had thus far.

Return Rate	4/12 (33.33%)								
<ul style="list-style-type: none"> The textbook is strange to navigate online and it took a little while to get used to. I think a big thing that we all struggled with was keeping on top of the chats. textbook, well I missed some quizzes because i count find them on flip learning, so that could be more organized, it was 80 dollars. The textbook was too informal.
